

Department of Electronics & Telecommunication Engineering Government Polytechnic, Hingoli

ELECTRANEWS - 2024

TARGET N. B. A. – MR. UMESH NAGDEVE

Mr. Umesh Nagdeve

Joint Director, Regional Office, Chhatrapati Sambhajnagar

“Every polytechnic in the Chhatrapati Sambhajnagar region must be accredited” – on this theme we are targeting to be accredited for Department of Electronics & telecommunication Engineering and Computer Engineering programs in Government Polytechnic, Hingoli.

The question must come in every mind that why to be accredited? And the best answer what I supposed is to demonstrates your to the profession. Accreditation identifies strengths and gaps in your programs and processes. This way we can focus on what needs to be improved for the sake of future of the stakeholder. As in our region all the government polytechnics are accredited and we are only lagging behind so target to be accredited in coming academic year. For this we work together to develop government polytechnic Hingoli in such a way that the institute will achieve its vision. With this, I wish G.P.Hingoli to achieve the accreditation from the NBA body and all the best for the future endeavour.

Submitting for Pre-qualifier for NBA with Hon. Joint Director

Editorial Board

Guidance Cell :-

Mr. Deosarkar B. P.

Principal, Government Polytechnic, Hingoli

Mr. Bhatkar Dattatray N

Mr. Jadhao Nilesh S

Mr. Mudholkar Santosh R.

Editor In Chief :-

Mr. Tadvipathan Ekrarkhan E

Lecturer in Electronics

Editorial Committee :-

Mr. Parodwad Tushar S.

Mr Kharade K S
